# Department of Mathematics

# NIT, Trichy-15

# Advertisement of the post of JRF

Application on plain paper with complete bio-data along with self-attested photocopies of candidate's professional certificates are invited from Indian nationals for the post of Junior Research Fellow to work in research project entitled " Numerical Methods for Singularly perturbed differential equations with non smooth data" sanction order no. 2/48(5) 2010- R&D II / 8896 date 17-9-10 sponsored by NBHM.  The applications completed in all respect should reach to Dr. V. Shanthi, Assistant Professor, Department of Mathematics, NIT, and Trichy-15 on or before 1$^{st}$ March  2012. The envelope should be superscripted as application for the post of JRF in the project Numerical Methods for singularly perturbed differential equations with non smooth data.  The position is purely temporary and will be governed by the administrative rules/ service conditions of ICSR, NITT.

**Qualification:**Master's degree in Mathematics with a minimum 60% marks (CGPA 6.5/10). Knowledge of Mathematical software computer programming language is desirable.

**Age Limit: 28 years      Project duration: 2 yearsFellowship: Rs. 16,000**

**Other benefits: Eligible candidate may be entitled toregister for Ph.D. program of the institute.**

**Note:**

1. No TA/DA will be paid for their appearing in the written / interview.
2. Candidates will be informed by email about the written/ interview date.  So candidate must provide valid email ids in their applications.
3. The applicant will be responsible for the authenticity of information other documents and photographs submitted.
4. The institute reserves the right to accept application at any time and consider candidates of exceptional credentials without applications.  Qualification and experience may be relaxed by the institute at any point of time for otherwise exceptional candidates.
5. Mere possessing the prescribed qualification does not ensure that the candidate would be called for interview.
