CALL FOR STUDENT INTERNSHIP UNDER SERB-CRG PROJECT

Project Title: Emerging Alternative Construction Technology for Affordable Lightweight Housing in Seismic-Prone Areas

In every career, a sturdy foundation is essential to support a student's aspirations and professional progression. To facilitate this, Applications are invited from eligible students for a short-term internship under the SERB-CRG project (CRG/2 022/007518) as part of the **Scientific Social Responsibility (SSR)** initiative.

Eligibility Criteria:

- Students currently pursuing Third year/ Final year B.E/ B. Tech (Civil Engineering) with a good academic background from an AICTE/MHRD recognised Institute/University.
- Strong interest in construction materials / sustainable concrete technology is preferred

Internship Details:

- **Duration:** 2 Months (Maximum)
- **Number of Positions:** 01
- **Mode:** Physical (On-campus)
- **Stipend:** ₹5,000 per month (consolidated)

How to Apply:

- Interested candidates can apply by filling out the following Google form <https://forms.gle/qud4JLEPwhnPMzGW6> , including the required documents, on or before **20th April,2026**.
 - ✓ Updated Resume/CV
 - ✓ Photocopy of grade sheets up to the last semester
 - ✓ Photocopy of College ID card
 - ✓ Bonafide Certificate from Institution
 - ✓ No Objection Certificate (NOC) from the Head of Department/Institution

 **Last Date for Application: 20th April,2026**

Selection Process:

- Shortlisting will be based on academic performance and research interest
- Candidates shortlisted for the written test/interview will be informed by email on or before **22nd April 2026**.
- The final selection is through a written test/interview (Physical mode) on **28th April,2026 (Tentatively)**, at the Department of Civil Engineering, NIT Trichy

General Instructions:

- No TA/DA will be provided for attending the interview or internship
- Accommodation may be provided subject to availability (charges applicable)
- Internship certificate will be issued upon successful completion
