Tiruchirappalli – 620015, Tamil Nadu, India
Department of Electronics and Communication Engineering

INTERNSHIP – 2024

Applications are invited from the UG (III / IV year) ECE students of various institutions (other than NIT Trichy) for undergoing an internship at the Department of ECE under the Scientific Social Responsibility (SSR) of the SERB-CRG project (CRG/2023/006435).

Title of the Project: **Design and Development of Fluidically Reconfigurable Devices using 3D printing technology for future millimeter-wave / 6G Applications**

Essential Qualification: **Currently pursuing 3rd/4th year B.Tech. with good academic background**

Desirable: Knowledge of HFSS/CST simulation software

Duration: **One month only and extendable to one more month based on the performance** (Any two consecutive months between 01.06.2024 and 31.08.2024).

Number of Interns Required: 1

Selection will be based on the interview

A stipend of **Rs. 5,000/- per month** will be paid to the intern and a certificate will be issued to the intern upon completion of the assigned tasks.

Interested students can fill out the online application with the Google Form https://forms.gle/FddTeX8xJtxbbHWRA.

Apply on or before **22nd May 2024**. For further inquiries, please contact Project Investigator --> sskarthikeyan@nitt.edu.
