

**DEPARTMENT OF CHEMICAL ENGINEERING  
NATIONAL INSTITUTE OF TECHNOLOGY  
TIRUCHIRAPPALLI - 620 015, TAMILNADU.**

Ref.: NITT/CHL/ASR /DST /JRF-1

05.09.2012

**Advertisement**

Applications are invited from bright, young candidates for a temporary position of **Junior Research Fellow (JRF)** in the Indo-European networking NewINDIGO project titled “*Advanced modeling, control and decision support tools for flexible and optimal waste water treatment plant*” sponsored by Department of Science and Technology (DST). The project has partners from National Chemical Laboratory (NCL), Pune and Pondicherry Engineering College (PEC), Puducherry.

**Name of the Position** : Junior Research Fellow (JRF)  
**Essential Qualification** : M.E./ M.Tech. in Chemical Engineering (or) Process Control & Instrumentation (or) related specialization  
**Emoluments\*** : Rs.12000/- p.m. + 20% HRA = Total Rs. 14,400/- p.m.  
**Duration of the Project** : 2 Years

The position is purely temporary and up to the duration of the project. Eligible candidates may send their Bio-data to the following address on or before **20.09.2012** through e-mail. Shortlisted candidates will be informed by email to appear for interview on **27.09.2012 from 9.00 am** onwards in the Department of Chemical Engineering, National Institute of Technology, Tiruchirappalli. No TA, DA will be paid for attending the interview.

**Dr. A. Seshagiri Rao**  
Assistant Professor, Department of Chemical Engineering,  
National Institute of Technology, Tiruchirappalli – 620 015  
E-mail : [seshagiri@nitt.edu](mailto:seshagiri@nitt.edu) , [raoseshu@gmail.com](mailto:raoseshu@gmail.com)  
Phone: 0431-2503115

The selected candidate may be permitted to register for Ph.D. program as per the existing institute rules.

**Dr. A. Seshagiri Rao**  
(Project Investigator from NIT, Trichy)

**\*The emoluments are likely to be revised subjected to sanction from DST to Rs. 18,000 p.m. + 20% HRA**
