Tender Notification No. NITT/CSG/DEC/2017

COMPUTER SUPPORT GROUP

Item No. 13 : Personal Computers

18. Quote should come from authorized dealer or distributor or reseller for each of the product quoted. An authorization letter from OEM should accompany your quote, otherwise it may lead to rejection.
19. The delivery period and other terms should be clearly mentioned.
20. The bidders/vendors are informed that they should not call us over phone or contact us in person. All clarifications can be obtained through E-Mail/FAX/Post. Vendors shall not make attempts to establish unsolicited and un-authorized contact with us after the opening of the offers and prior to the notification of the award. Any attempt by any vendor to bring extraneous pressures on us shall be sufficient reason to disqualify the vendor.
21. Delay / loss in postal transit or due to other reasons will not be NIT-T's responsibility.
22. Authorized signatory should sign on all the pages. Bids without authorized signatures will be rejected.
23. We are not responsible for accidental opening of the covers that are not properly superscribed and sealed before the time scheduled for opening.
24. The tender should be made only on the "Technical compliance form" & "Quotation form" which is available in our website, otherwise it shall lead to rejection. The technical compliance form & Quotation form should be duly filled up (preferably **TYPE WRITTEN IN CAPITAL LETTERS**) and should clearly mention the make, model number & warranty by the bidder against each specification.
25. Using ambiguous terms like "Yes", "Complied", "Available", or providing irrelevant data or leaving the field blank is NOT acceptable, each bidder has to instead specify the matching full technical specification for each line item.
26. The bidders are not allowed to make addition or alteration in the tender document.
27. If no warranty period is specified then the default warranty will be assumed as five years.
28. The manufacturers of the quoted make of the product must be of national / international repute and having ISO / BIS certificate.
29. **Liquidated damages:** If the bidder/supplier, after accepting the Purchase Order, fails to deliver any or all of the Goods within the period specified in the Order, NIT-T shall, without prejudice to other remedies under the Rules of Purchase, proceed to cancel the order or agree to accept a delayed delivery on the condition of payment of liquidated damages by the bidder / supplier a sum equivalent to 0.50% of the total cost as indicated in the Purchase Order (which will be deemed as agreed price) for each week or part thereof of delay until actual delivery or performance is completed and such penal charges shall be limited to a maximum of 5% of the total cost. Once the maximum is reached NIT-T may proceed on its own to consider the termination / cancellation of the order.
30. There is no tender fee or processing fee required for submitting this NIT-T rate contract tender
31. L1 who is awarded the NIT-T rate contract has to provide Bank Guarantee (BG) for Rs.25,000 as security deposit as per NIT-T terms & conditions. The bank guarantee will be returned to the supplier after one year after the expiry of the NIT-T rate contract period.
32. Failure to comply with all the terms and conditions mentioned herein would result in the tender being summarily rejected.
33. This is a single bid system. Both the technical specification and price bids would be opened at the same time.
34. Vendors are informed that once the bidders are shortlisted based on the technical specification, only then the price bids of the firms that meet NIT-T's Technical specification / requirements would be compared.
35. The bidders are expected to renew their offers whenever requested. The quoted prices should be valid for the entire one year NIT-T rate contract period with a validity till March 31, 2019. Orders will be placed as and when required during this period.
36. In case the quoted model is declared end-of-life (EOL), or if the OEM stops the production, or if the specification changes during the NIT-T rate contract period, then in that case the next equivalent replacement model should be supplied subject to condition that the purchase committee of NIT-T accepts to this. The replacement model should have the same or higher specification, and should be in no way inferior. The same should be notified in writing to NIT-T as and when the model or specification changes. The decision of the committee is final.
37. Sample computers with the same specifications as quoted should be supplied for testing and benchmarking for one month, if requested at your cost.
38. Bidder are free to quote for some items alone if required. It is not compulsory to quote for all the items.
39. Bidders are free to quote for more than one make / model / brand if required.
40. NIT-T Rate contract will be awarded for one year to the item wise L1 for each item and not to the overall L1.

41. The order will be based on the actual requirement at the time of ordering and it may be 1 number or in lots, optional items may also be ordered based on the actual requirements. Not quoting for some of the optional items may result in disqualification for that category of items ordered.
42. One on-site service engineer should be provided by the bidder/company, if 200 PCs are ordered within a year using this NIT-T rate contract period (all configurations put together). This on-site service engineer should be available Monday to Saturday on all working days, from 9:00 am to 5:30 pm and should sign the attendance register at CSG. If there is any problem during the warranty period, then this on-site service engineer with all the required tools should attend to the fault and repair and / or replace the parts within 48 hours at no extra cost.
43. Optionally quote the Monthly salary for providing the second Onsite Engineer for taking care of Dekstops during the 5-year warranty period (engineer should be available 9:00 am to 5:30 pm, Monday to Saturday).
44. Order quantity would be around 200+ numbers during the 1 year rate contract period. If the order quantity crosses 200 numbers within the NIT-T rate contract period of one year, then there should be minimum 1% local stocking of all the computer spares at NIT-T during the five year warranty period. The spares should include Keyboard, Mouse, Monitor, Harddisk, RAM, SMPS, Processor, motherboard, etc.
45. Drivers should be given for current Windows 10 OS through the OEM website and also for future OS.
46. Preventive Maintenance should be performed by the supplier or their authorized service person twice every year during the first week of January and July during the 5 year on-site comprehensive warranty period, to lessen the likelihood of the computer failing. Preventative maintenance should be performed while the computer is still working, so that it does not break down unexpectedly. While performing Preventive Maintenance the service person should come with all the required tools (such as blower, etc). Preventive Maintenance includes cleaning the computer hardware for accumulated dust, updating the firmware / BIOS / drivers with the latest version.
47. The downtime should be less than 48 hours. If the downtime exceeds 48 hours at a stretch then the duration of such downtime will be added to the warranty period and the warranty shall be extended accordingly.
48. The warranty start & end date will be counted from the date of installation & not from the date of shipment/billing.
49. The supply should be in original OEM's packing. The packing should not be tampered. If tampered or if found duplicate, action will be taken against your firm and your firm's name will be deleted from our suppliers list.
50. The invoice / bill should have all the required details like NIT-T Purchase Order (PO) number, Make, Model, Price, Serial number, Warranty, Department name and Contact Person Name.
51. All HODs / departments / NIT-T faculty members are empowered to raise the purchase order with your firm and you are requested to supply the same as per this NIT-T rate contract and purchase order.
52. "Comprehensive on-site warranty with on-site support and service for both Parts and Labour" means that your engineer should visit the site / location where the problem is reported, then troubleshoot & identify the problem and replace the faulty part. NIT-T will not provide or do any troubleshooting at our end.
53. Enclose the Distributor / Reseller / Retailer certificate with the validity date. The offer should be authorised by the Manufacturer. The offers received without the certificate and authorization will be rejected.
54. NIT-T reserves the right to modify or alter the specifications after short listing of tenderers.
55. NIT-T reserves the right to split the orders among multiple vendors if the prices are same.
56. NIT-T reserves the right to reject any or all the tenders without assigning any reasons whatsoever.
57. In case of dispute, the matter will be subject to Tiruchirappalli, Tamil Nadu Jurisdiction only.
58. **Eligibility Criteria:** The bidder should have supplied at least 50 numbers of computers in a single PO to any of the reputed institutions or government organizations in India in the last 3 years. Please fill in the firms details in the last page.
