Bidding Procedures

Section I: Instructions for Online Bid Submission

Instructions to the Bidders to submit the bids online through the Central Public Procurement Portal for e Procurement at https://eprocure.gov.in/eprocure/app.

1. Possession of valid Digital Signature Certificate (DSC) and enrollment / registration of the contractors / bidders on the e-Procurement/e-tender portal are prerequisite for e-tendering.

2. Bidder should register for the enrollment in the e-Procurement site using the "Online Bidder Enrollment" option available on the home page. Portal enrollment is generally free of charge. During enrollment / registration, the bidders should provide only valid and true information including valid E-mail id. All the correspondence shall be made directly with the contractors/bidders through E-mail id as registered.

3. Bidder need to login to the site through their user ID / password chosen during enrollment / registration.

4. Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY / TCS / nCode / eMudra or any other Certifying Authority recognized by Controller of Certifying Authorities (CCA) India on eToken / Smartcard, should be registered.

5. The registered DSC only should be used by the bidder in the transactions and should ensure safety of the same.

6. Contractor / Bidder may go through the tenders published on the site and download the tender documents/schedules for the tenders.

7. After downloading / getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as required, otherwise bid will be rejected.

8. Any clarifications may be sought online through the tender site, through the contact details or during pre-bid meeting if any. Bidder should take into account the corrigendum if any published before submitting the bids online.

9. Bidder may log in to the site through the secured login by the user id / password chosen during enrolment / registration and then by submitting the password of the e-Token / Smartcard to access DSC.

10. Bidder may select the tender in which he / she is interested in by using the search option and then move it to the 'my tenders' folder.

11. From my tender folder, he / she may select the tender to view all the details uploaded there.

12. It shall be deemed that the bidder has read and understood all the terms and conditions before submitting the offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the incomplete bid shall stand rejected.

13. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and ordinarily it shall be in PDF /xls / rar / jpg / dwf formats. If there is more than one document, all may be clubbed together and provided in the requested format. Bidders Bid documents may be scanned with 100 dpi with black and white option. It is advisable that each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip / rar and the same if permitted may be uploaded. The file size being less than 1 MB the transaction uploading time will be very fast.

14. The Bidders can update well in advance, the documents such as certificates, annual report details etc., under "My Space option" and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.

15. Bidder should submit the Tender Fee / EMD as specified in the tender. The hard copy should be posted / couriered / given in person to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender. Scanned copy of the instrument should be uploaded as part of the offer.

16. The bidder has to select the payment option as offline to pay the Tender FEE / EMD as applicable and enter details of the instruments.
17. The details of the DD / any other accepted instrument, physically delivered, should tally with the
details available in the scanned copy and the data entered during bid submission time, otherwise
submitted bid shall not be acceptable or liable for rejection.

18. While submitting the bids online, the bidder shall read the terms and conditions and may accept
the same to proceed further to submit the bid packets.

19. The bidder has to digitally sign and upload the required bid documents one by one as indicated.
Very act of using DSC for downloading the bids and uploading their offers shall be deemed to be
a confirmation that they have read, understood and agreed with all clauses of the bid document
including General conditions of contract without any exception.

20. The bidder has to upload the relevant files required as indicated in the cover content. In case of
any irrelevant files, the bid may be rejected.

PRICE BID

21. If the price bid format is provided in a spread sheet file like BoQ_xxxxx.xls, the rates offered should
be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-
bid / BOQ template shall not be modified / replaced by the bidder; else the bid submitted is liable
to be rejected for the tender.

22. The bidders are advised to submit the bids through online e-tendering system to the Tender Inviting
Authority (TIA) well before the bid submission due date and time (as per Server System Clock).
The TIA shall not be held responsible for any delay or the difficulties faced during the submission
of bids online by the bidders.

23. The time settings fixed in the server side and displayed at the top of the tender site, shall remain
valid for all actions of requesting, bid submission, bid opening etc., in the e-Tender system. The
bidders should follow such time during bid submission.

EVIDENCE FOR ONLINE BID SUBMISSION

24. After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the
acknowledgement number indicated by the system should be printed by the bidder and kept as a
record of evidence for online submission of bid for the particular tender and also be used as entry
pass to participate in the bid opening.

25. All the data being entered by the bidders would be encrypted using Public Key Infrastructure (PKI)
encryption techniques to ensure the secrecy of the data. The data entered is not retrievable by
unauthorized persons during the bid submission and until the time of bid opening by any person.

26. Any bid document that is uploaded to the server is subjected to symmetric encryption using a
system generated symmetric key. Further this key is subjected to asymmetric encryption using
buyers/bid openers’ public keys. Overall, the uploaded tender documents become readable only
after the tender opening by the authorized bid openers.

27. The confidentiality of the bids is maintained with the use of Secured Socket Layer (SSL) 128 bit
encryption technology. Data storage encryption of sensitive fields is done.

28. The bidder should logout of the tendering system using the normal logout option available at the
top right hand corner and not by selecting the (X) exit option in the browser.

29. For any queries regarding e-Tendering process, the bidders may contact at address as provided
in the tender document. Parallely for any further queries, the bidders are advised to contact over
phone: 1-800-233-7315, 0120-4001005 or send an E-mail to cppp-nic@nic.in.
