

National Institute of Technology, Tiruchirappalli
Tiruchirappalli 620015
Sophisticated Instrumentation Facility (SIF)

ICP-MS - Testing Charges

Category	Internal (Rs.)	External (Academic) (Rs.)	National and R&D labs (Rs.)	Industry (Rs.)
Sample Analysis Charge (per sample, for the first element)	650	975	1300	1950
For Each additional element analysis	120	180	240	360
Acid digestion charges (per sample)	350	525	700	1050
Microwave Digestion Charges (per sample)	550	825	1100	1650

Important Notes:

1. Users are encouraged to submit more than 5 samples per set to optimize operational costs.
2. SIF maintains standards for a limited range of elements. For other elements, users must provide the appropriate standards along with their samples.
3. Please contact the SIF team prior to making any payment. Do not initiate payment without receiving formal confirmation from the facility.
