The Board considered the issue of conversion CPF to GPF granted to 12 faculty members in the past.

Out of the 12 faculty members, 6 have already received their pension benefits (reinstitution of pension in terms of 6th Pay Commission is pending). They are listed below as Sl.Nos. 1 to 6.

1. Dr. P. Subramanian
2. Dr. P. Shunmugasundaram
3. Dr. S. Sundaram
4. Dr. V. Venkataramani
5. Dr. N. Kalyanasundaram
6. Dr. R. Chinnadurai

Minutes for the 25th BOGM, NITT: on 2nd December 2010 (Thursday) at M/s. Ashok Leyland Ltd., Chennai  PageNo.4
The remaining 6 faculty members, as listed under Sl.Nos. 7 to 12, have not received the conversion from CPF to GPF.

The Board considered the following:

(a) The Board had taken a decision to permit conversion due to the fact that the retirement age benefit of 2 years for CPF faculty was withdrawn once RECT became NITT. The age of retirement was made uniform initially at 62 years and subsequently at 65 years.

The Board took into consideration the fact that when the service conditions are changed, the faculty must be given the opportunity to relook at CPF to GPF conversion and make their preference known. This would be the only course to natural justice.

(b) The Board also considered the fact that the decision was taken with the concurrence of MHRD and specific letters exchanged between the Institute and MHRD in this regard.

In the light of the above, the Board advised that the CPF to GPF conversion had to be done and cannot be reversed.

The Board directed the following:

(i) Response to the CAG report must be sent by the Institute clearly detailing the reasons for change and also enclosing copies of the correspondence with MHRD.

(ii) An affidavit to be filed in the Madurai Bench of the Madras High Court clearly detailing the fact that a review has been done and it has been concluded by the Board that the conversion from CPF to GPF is valid and tenable.

The Board reaffirmed that the conscious decisions taken in its meetings (4th, 7th, 8th and 17th) to permit the conversion from CPF to GPF for the 12 faculty members is correct and must be implemented.
Item No.3.4 Implementation of HRFC recommendations as suggested in the 17th & 18th BOG Meetings

1. For the faculty under Para-I, the Board decided to advance the date of promotion as Professors, as recommended by the HRFC and directed office to issue appropriate office orders.
2. For the faculty under Para-II, the recommendations were accepted and decided not to extend any benefits
3. For all the remaining faculty who are left out of HRFC recommendations in Para I & II as above, their cases to be carefully considered by a committee to be constituted by the Director and benefits to be extended subject to fulfilling eligibility conditions and as per the guidelines of HRFC.

ITEM NO. 4 TO CONSIDER AND APPROVAL OF ANNUAL ACCOUNTS 2009-2010

The Board noted the observation of the 14th Finance committee and approved the Annual Statement of Accounts for 2009-10 for submission to the audit. Further the Board authorized the Chairman to approve the modified accounts, if any, based on audit observations to avoid further delay in submission of certified accounts to the Parliament.

ITEM NO. 5 TO CONSIDER AND APPROVAL OF EXTENSION OF SERVICES OF Dr. V. SIVAN AND Dr. K. PALANICHAMY

The request for consideration of contract employment by Prof. Dr. V. Sivan and Dr. K Palanisamy was taken up for discussion. It was felt that Senior Faculty members on the verge of retirement could be considered for extension of their services as contract faculty for a maximum period of 3 years.

As per NIT Statute/Act, the Board had powers to carry out this contract appointment through subcommittee/selection committee of the Board scrutinizing the applications and recommending to the Chairman / Board. This also was extensively discussed and the Board concurred unanimously that a group of contracting faculty from among retiring senior faculty members must be created.

At the outset, the Board approved the proposal to have maximum of five Professors on contract basis in the National Institute of Technology, Tiruchirappalli. The Chairman briefed the Board that there are no provisions under the NIT Act / Statutes for the extension of services of any Faculty or Non-faculty staff.

The Board consciously decided the extension of the appointment on contract basis to the serving faculty members only as per NIT Statutes.
The Board considered the draft criteria placed before it and approved it in principle to be considered for the appointment of Professor on contract basis. The fixation of salary and other service conditions will also be covered in detail for this purpose. The Board requested the services of Sri. M. Singaperumal to formalize the criteria for the appointment of Professors on contract basis.

An adhoc selection committee shall be constituted for this purpose which will scrutinize the credentials of the individuals who seek an appointment of Professor on contract basis. The recommendations will be forwarded to the Chairman for his kind approval.

The Board authorized the Chairman to act on the report of the adhoc selection committee, accord necessary approval and place in the next Board meeting for ratification.
