ITEM NO.4 DIRECTOR’S REPORT ON THE MAJOR ACHIEVEMENTS / DEVELOPMENTS SINCE THE LAST MEETING OF THE BOARD OF GOVERNORS HELD ON 1ST DECEMBER, 2015

The Director presented the following major Achievements/Developments that took place in the Institute since the last Meeting of the Board of Governors:

Status of IIIT Srirangam

Indian Institute of Information Technology, Srirangam was established on a PPP mode by Govt. of India, Govt. of Tamil Nadu and Software Industries with share of 50%, 35% and 15% respectively. The Institute is offering two B.Tech. Courses and one M.Tech. Course. For administrative reasons IIIT, Srirangam is not in a position to award the Degrees to the students. The Director (IITs & IIITs), MHRD asked NITT to explore the possibilities of issuing Degrees to the passed out students of IIIT, Srirangam by NITT. The students of IIIT, Srirangam boycotted the classes, went on hunger strike over lack of infrastructural facilities and other issues. Director (IITs & IIITs) MHRD visited. NITT on 04/03/2016 along with Director of Technical Education Chennai, Govt. of Tamil Nadu after holding discussions with the agitating
students. They held discussions with the Director, the Deans and the students’ representatives of NITT. The mode of conducting classes, accommodation of students and funding were discussed in detail. Student President indicated that the placement of NITT students in future should not get affected by accommodating IIIT Students.

MHRD had requested NITT to take up the mentorship as per the communication as per MHRD’s letter F. No. 29-14/2013 TS.I (PT) dated 22 March 2016 and to provide all the necessary infrastructure and support to IIIT Srirangam.

**TREC-STEP Issue**

The Director, NITT briefed the BoG about the communication received from MHRD turning down the proposal of starting Technology Incubation Centre. The ground for turning down is that TREC-STEP is functioning in NIT Tiruchirappalli (NITT). Director also stated that except NITT, other NITs mentioned in the PM’s report were sanctioned. The ground for rejection of NITT proposal is not fair. It was decided to claim the rightful claim of NITT over TREC-STEP. MHRD asked for a detailed report on the subject.

**NIT Tiruchirappalli (NITT) and NIT Surathkal (NITK) Connect**

The Director explained the concept of NITT and NITK connect and the Board appreciated the efforts taken by the Director in this regard.
Action points on Visitor’s Conference and NIT Council Meeting.

The Director briefed the Board about the action points of Visitor’s Conference and NIT Council Meeting.

NITT should adopt five villages under Unnat Bharat Abhiyan Scheme of Prime Minister of India. The details of budget and future plan needs to be given in the next BoG Meeting.

Under Mission Swachch “NIT, IISER, IIEST”, the Institute should display as many banners as possible in the Institute. Clean drinking water, hygiene in the mess and clean campus should be ensured in the NITT campus.

ITEM NO. 8 TO CONSIDER AND RECOMMEND THE DISBURSEMENT OF HONORARIUM / REMUNERATION FOR FACULTY MEMBERS OF NITT HANDLING M.TECH. PROGRAMME IN CONSTRUCTION TECHNOLOGY & MANAGEMENT SPONSORED BY LARSEN AND TOUBRO (L & T) LTD

The M.Tech. Programme in Construction Technology & Management is sponsored by L & T without financial liability to the Institute. NITT faculty deliver lectures in this programme in addition to the prescribed workload. As there is no precedence of existing norms of payment to the faculty for taking extra lectures beyond the regular work load, the FC suggested to compensate the faculty members for any additional teaching responsibility beyond the prescribed work load, as per the norms followed for Guest Faculty of NITT, which is Rs 2000 + tax/ hour

RESOLUTION RESOLVED THAT the Faculty Members teaching beyond the regular work load be compensated as per the prevailing rates paid to the guest faculty, which is Rs 2000 + tax/ hour

ITEM NO. 9 TO CONSIDER AND RECOMMEND THE REMUNERATION PAYABLE FOR GUEST LECTURES FROM ABROAD

The Finance Committee discussed in detail the proposal of paying remuneration of US $ 100 per hour to the faculty offering live courses through Video Conferencing (VC) mode from overseas countries. In order to justify the proposed honorarium, the proposal
was compared with the Global Initiative for Academic Network (GIAN) programme. As per GIAN programme approved by Union Cabinet in Higher Education, in which a lump-sum amount of up to US$ 8000 for 12 to 14 hours of contact and up to US$ 12000 for 20 to 28 hours of contact can be paid to the foreign experts covering their travel and honorarium. Although the modalities of implementation is different from the GIAN programme, the proposed amount of US $ 100 is much lower than the guidelines suggested in the GIAN programme. Considering the interest of the students the FC recommended the proposal to the Board of Governors.

RESOLUTION 41/BoG/2016/8  
RESOLVED THAT paying honorarium of US $ 100 per hour to overseas faculty who are offering live courses through Video Conferencing is approved.
