CIRCULAR

Dear Students,

Greetings. Hope you are safe and fine.

This is to inform that the institute wishes to extend a financial support to the needy students affected due to COVID-19 pandemic, in association with RECAL, the Alumni Association of NIT Tiruchirappalli under the following categories:

- Demise of the earning member (father/mother/brother/sister) of the student's family due to COVID-19 (after March 2020). The relevant documents (COVID positive certificate and other supporting documents) need to be produced for this purpose.
- The earning member (father/mother/brother/sister) of the student's family deceased by COVID-19. The relevant documents (COVID positive certificate and other supporting documents) need to be produced for this purpose. Under this category, students will be supported based on the family annual income (i) less than 1 Lakh and (ii) Rs. 1 Lakh to Rs. 5 Lakhs.
- This is one-time support and not linked with the receipt of any scholarship by the students. However, this is not applicable to the students receiving stipend/salary. Further, students can avail the insurance facility for their medical expenses.
- The exact amount for the financial support will be decided based on the number of applications received from the students, nature of harm due to COVID and family annual income.
- The students wish to utilize this, may apply through the googleform (given in the link) and upload the relevant documents in single pdf file.
