Workshop on Nanomaterials for Emerging Applications (NMEA-2022)

25-26 February 2022

Coordinator
Dr. R. Justin Josephus

Organized by
Department of Physics
National Institute of Technology
Tiruchirappalli 620 015

About the Workshop
Workshop on nanomaterials for emerging applications is organized by the Department of Physics, National Institute of Technology, Tiruchirappalli. The workshop is funded by the Department of Science and Technology, Government of India under the Scientific Social Responsibility Policy. The primary aim is to foster research culture among faculty of nearby colleges introducing topics such as research methodology, nanomaterials and its applications. The programme includes lectures by NIT-T faculty and participants presentation.

Eligibility
Young faculty from colleges in and around Tiruchirappalli, limited to 25 participants. (Full COVID-19 vaccination essential).

Registration procedure
Send your biodata along with the signed registration form through email. Selected candidates have to confirm their participation through email on or before 22nd Feb 2022.

Registration fee
No registration fee.

Venue:
Breeze Residency Hotel
Near Central Bus Stand
Tiruchirappalli 620 001

Registration form
NMEA-2022
25-26 (Fri-Sat) February 2022

Use separate form as per the format given below

Name:
Designation:
Qualification:
Institution:
Mailing address:
Email:
Mobile:
Research experience in years: ___
Area of research:
Fully Vaccinated on: ____

Signature of the applicant with date

• The completed registration form has to be submitted on or before 22nd February 2022 by email.
• Digital signature is accepted.
• Open to all branches of Science and Engineering.
• Participants oral presentation on any research area (10 min).
